Key Dates

- 7/15-10/14/2013
- Mondays @ 10P
- 13 Episodes
- Production: TBD

It's never too late to change the past. In this action-packed thriller, a team of military field operatives and civilian scientists discovers new technology that allows them to travel back in time and avoid a devastating terrorist attack. From the director of *Lost* and the executive producers of *Buffy the Vampire Slayer* and *Alphas*.
